

Numéro d'inventaire: 23067

Fileteuse
RIDGID 535

Données techniques

Branchement	50 Hz 3x	230 Volt
Puissance installée totale		1,1 kW
Poids de la machine env.		400 kg
Encombrement machine:		
Longueur		1500 mm
Largeur		850 mm
Hauteur		1200 mm

Features

Large 6.6 litre (1.75 gallon) oil pan.

Large chip tray.

Generous cover for storing tools and fittings to keep them within easy reach.

Large ground clearance makes tapping easier.

Quick-action chuck with clamping jaws - centres and grips the workpiece immediately.

Length scale for fast, accurate cutting.

The Model 535 is the workhorse, one of the most robust and powerful tapping machines on the market, while offering additional features that make tapping even more productive. A large chip tray and oil pan make the 535 ideal for

prolonged, uninterrupted tapping. The 535 is designed for maximum uptime, with improvements that matter most to the pipework professional. In addition, users benefit from common components on the 535 and 535A and other RIDGID® models.
